

**4. Towards BIMSTEC-Japan
Comprehensive Economic
Cooperation: Investment
Opportunities and Challenges,**
Dipankar Dey, CSIRD, 2006 Price: Rs.
200.

Abstract

This book identifies possible industry sectors in different BIMSTEC countries, which have the potentials to attract foreign direct investment in general and Japanese investment, in particular. This book also analyzes the rationale behind identifying Japan as the natural ally of BIMSTEC. From macro perspectives, this book identifies possible outward investment opportunities and challenges faced by Japanese investors in BIMSTEC.

Dr. Dipankar Dey is a faculty member of ICFAI Business School, Kolkata. Dr. Dey can be contacted at dip_dey@hotmail.com
